German Innovation Award

Dear Sir or Madam,

We are glad to inform you that Murrplastik Systemtechnik GmbH has been awarded the German Innovation Award in the category "Excellence in Business to Business Machines & Engineering" for our FHS system.

<https://www.german-innovation-award.de/en/winners/preis/gewinner/flexibles-haltersystem-fhs/>

We would like to thank all our colleagues and business partners who have contributed to this project.

Kind regards
Marc Rodler
